Allison,

I noticed that my Land Use Tables for GSENM remained in the Data Request, but BENM was omitted. Was there a reason for it being omitted and the inconsistency?

I thought that contributing staff may be interested to see the final information that was submitted for the DOI's data call, due yesterday. All supporting references noted in the documents were uploaded into Drive.

WO 410 and DOI are reviewing and will likely reach out for additional information, so please hold on to your notes.

Thank you all for your support in a monumental (pun intended) effort!
